

SUNBRELLA™

Mineral sunscreen cream SPF 30 - FACE

PROTECTS | REPAIRS

BIENFAITS

This 100% natural sunscreen is water-resistant, non-comedogenic and helps prevent the signs of premature aging. This tinted cream acts against radiation of all kinds, sun rays and environmental pollutants. Its formulation rich in antioxidants and repairing ingredients helps the skin to regenerate itself healthily. Available in two shades (light and medium).

TARGETS

All skin types • Hands • Cleavage

INGREDIENTS

ALLANTOIN	Healing agent, which stimulates skin renewal, regulates the inflammatory process and retains water in the skin.
ALOE VERA	Moisturizing, healing, soothing agent.
ARGAN OIL	Restructuring agent and antioxidant.
BEESWAX	Moisturizing agent that protects the skin from long-term damage.
CARROT SEED EO	Regenerating, anti-wrinkle and anti-inflammatory agent. Protective agent increasing the skin's resistance to UV rays.
CASTOR OIL	Softening, moisturizing, anti-inflammatory and antibacterial agent. Agent that penetrates the epidermis deeply, stimulates the production of collagen and elastin and strengthens the epidermis and healing.
CERAMIDES	Responsible for lipid signalling, they act as a protective film that prevents water loss. Promote the adhesion of solar minerals by helping them maintain a uniform film.
CHILEAN ROSEHIP OIL	Restructuring, anti-aging, healing and antioxidant agent that increases the skin's resistance to UV rays. Rich in omega 3.
COLLOIDAL SILVER	Healing, regenerating, antiseptic, bactericidal, germicidal, antiviral, immunostimulant and oxygenating agent.
GREEN TEA EXTRACT	Powerful antioxidant agent.
GLYCERIN	Humectant, moisturizing and softening agent.
GLYCOSAMINOGLYCAN	Agent that promotes water retention and the skin's resistance to external attacks by blocking certain enzymatic reactions that degrade collagen in skin cells. A component of the extracellular matrix of connective tissue.
GERANIUM EO	Anti-inflammatory, tonic and astringent skin agent.
JAPANESE MINT EO	Revitalizing and refreshing agent that increases resistance to sun's rays.

SUNBRELLA™

Mineral sunscreen cream SPF 30 - FACE

INGREDIENTS (CONTINUATION)

LAVENDER EO	Skin regenerator with antiseptic and anti-inflammatory properties.
LIGHT MINERAL BLEND	Illuminates the complexion and camouflages imperfections.
MICAS AND TALC	Agent with a pearly effect with natural coloring that acts as a physical screen and imperfection corrector.
NIAOULI EO	Antioxidant, skin regenerating and protective agent that increases the skin's resistance to UV rays.
SEA BUCKTHORN OIL	Agent rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, Omegas 3-6-7-9, minerals and polyphenols. Natural SPF (4) agent with anti-inflammatory, emollient, antioxidant, softening, regenerating and nourishing properties for dry skin.
TITANIUM DIOXYDE (NON-NANOPARTICLE)	Physical barrier, antimicrobial.
VITAMIN D	Anti-inflammatory agent that regulates (keeps the right amount in the blood) calcium, phosphorus and minerals in the body. An agent that helps muscle function, blood vessel flexibility and cell growth.
VITAMIN E	Antioxidant, healing, regenerating and moisturizing agent.
YLANG YLANG EO	Regenerating and toning agent for the skin. Protector increasing the skin's resistance to UV rays.
ZINC DIOXYDE	Anti-inflammatory physical barrier, healing, antiseptic and antioxidant.

USING ADVICE

Before sun exposure, apply evenly to face and neck. Repeat application every 2 hours during sun exposure. Use in conjunction with the Davincia® product line.

PRO TIP

Use also on hands and décolleté, as well as on all areas that betray age. Protects the skin during extreme cold or dryness.

CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, if allergic to one of the ingredients, or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

SUNBRELLA™

Mineral sun powder SPF 30 - FACE

PROTECTS | BRONZES | ILLUMINATES

BENEFITS

This 100% natural protective sun powder helps prevent the signs of aging by forming a natural mineral physical layer on the surface of the skin and offers protection against sunburn. It helps camouflage imperfections while providing a tanned, luminous and radiant complexion. This lightly tinted covering powder is the natural alternative to electronic selfies filters. No chemical preservatives, silicone or talcum powder.

Available in three shades (light, medium and tan).

TARGETS

———— All skin types

INGREDIENTS

BURITI OIL	Natural sun protection agent rich in beta-carotene (vitamin A).
CLAY	Physical screen with calming and healing properties, mineral with natural coloring to illuminate the complexion, anti-inflammatory agent.
COCONUT OIL	Natural sun protection agent rich in vitamin E with antiseptic, regenerating and moisturizing properties.
MICAS	Physical screen, corrector of imperfections, with a pearly effect and natural dye.
MINERAL-LIGHT BLEND	Complexion beautifier that fills in wrinkles, conceals imperfections.
TITANIUM DIOXYDE (NON-NANOPARTICLE)	Physical screen, antimicrobial.
VITAMIN E	Antioxidant agent with healing, regenerating and moisturizing properties.
ZINC OXYDE	Physical screen, anti-inflammatory, healing, antiseptic, antioxidant.

SUNBRELLA™

Mineral sun powder SPF 30 - FACE

USING ADVICE

To dispense the powder, release the brush from the nozzle, then tap the brush downward until the powder begins to release. Apply Sunbrella™ thickly to face, neck, ears and other sun-exposed areas. Repeat application if rubbing on the applied area. Use in conjunction with the Davincia® range only for optimal results. Do not wet the brush.

CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, if allergic to one of the ingredients, or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

SUNBRELLA™

Mineral sunscreen cream SPF 30 - BODY

PROTECTS | MOISTURIZES | WATERPROOF

BENEFITS

This 100% natural sunscreen is water and sweat resistant, non-comedogenic and helps to preserve the skin's optimal hydration. This protective shield acts against radiation of all kinds, sun rays and environmental pollutants. Its formulations rich in antioxidants and repairing ingredients help the skin to regenerate itself in a healthy way. Without chemical filters or silicone and safe for the coral reef.

TARGETS ————— All skin types

INGREDIENTS

ALLANTOIN	Healing agent, which stimulates skin renewal, regulates the inflammatory process and retains water in the skin.
ALOE VERA	Moisturizing, healing, soothing agent.
CHILEAN ROSE HIP OIL	Restructuring, anti-aging, healing and antioxidant agent that increases the skin's resistance to UV rays. Rich in omega 3.
SEA BUCKTHORN OIL	Rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, Omegas 3-6-7-9, minerals and polyphenols. Natural SPF (4) agent with anti-inflammatory, emollient, antioxidant, softening, regenerating and nourishing properties for dry skin.
TITANIUM DIOXIDE (NON-NANOPARTICLE)	Physical barrier, antimicrobial.
VITAMIN D	An anti-inflammatory agent that regulates (keeps the right amount in the blood) calcium, phosphorus and minerals in the body. An agent that helps muscle function, blood vessel flexibility and cell growth.
VITAMIN E	Antioxidant with healing, regenerative and moisturizing properties.
ZINC OXIDE	Physical barrier with anti-inflammatory, healing, antiseptic and antioxidant properties (micron and non-micron but not nano.).

SUNBRELLA™

Mineral sunscreen cream SPF 30 - BODY

USING ADVICE

Before sun exposure, apply evenly to the body. Reapply every 2 hours during sun exposure. Reapply if you rubbed off the skin. Use in conjunction with the Davincia® product line.

CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, if allergic to one of the ingredients, or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

SUNBRELLA™

Lip balm with collagen and prebiotic SPF 15

Protects | Moisturizes | Repairs | Plumps

BENEFITS

This 100% natural mineral sunscreen enriched with collagen helps prevent the signs of aging. This lip balm helps protect skin against the sun's rays, environmental pollutants and the cold. Its formulation, rich in active ingredients, helps nourish, moisturize and regenerate lips.

USING ADVICE

Apply to lips as needed or 15 minutes before sun exposure.

TARGETS

All skin types • Sensitive skin

INGREDIENTS

BEESWAX	Emollient agent that protects skin from long-term aggression.
BISABOLOL	Antioxidant, soothing, healing, anti-inflammatory and antibacterial agent. Helps reduce the discomfort of dry skin.
CALENDULA OIL	Calming, softening, emollient, healing, anti-inflammatory, regenerating and antioxidant agent.
CAROB EXTRACT	Regenerates natural tissue repair processes. Accelerates damaged skin recovery by stimulating cell migratory potential and α -SMA synthesis.
CERAMIDES	Responsible for lipid signalling, they act as a protective film to prevent water loss. Promotes the adhesion of solar minerals, helping them to maintain a uniform film.
CHICORY ROOT (INULIN)	Prebiotic containing glucosamine that stimulates the synthesis of natural hyaluronic acid.
HYALURONIC ACID	Moisturizing agent that attracts and retains water in the skin.
LAVENDER EO	Powerful healing and regenerating agent with antimicrobial and antiseptic properties.
MANGO BUTTER	Very rich in sterols and polyphenols, giving it highly interesting antioxidant properties. Protects and soothes the skin, softening and smoothing it.
MARINE NATIVE COLLAGEN	Agent that helps form a protective shield to prevent aging. A structuring agent identical to human skin collagen, used mimetically to produce true collagen.
OPHIOPOGON JAPONICUS (OLIGOSACCHARIDES)	Rebalances the microbiota, helps restore the skin barrier and reduces inflammation.

SUNBRELLA™

Lip balm with collagen and prebiotic SPF 15

INGREDIENTS (CONTINUATION)

PROPOLIS	A vitamin- and mineral-rich agent that helps maintain the balance of microbial flora.
RASBERRY SEED OIL	Prepares skin for exposure to the sun. It absorbs a portion of UVA and UVB rays, providing sun protection.
SHEA BUTTER	Protective, repairing and emollient agent for dry skin.
VITAMIN E	Antioxidant, healing, regenerating and moisturizing agent.
ZIN OXIDE (NON-NANO)	Anti-inflammatory, healing, antiseptic and antioxidant physical screen.

PRO TIP

Can be used on more sensitive facial areas.

CAUTIONS

Keep out of reach of children. Avoid using on skin, in case of an allergy to one of the ingredients. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. For external use only.
