

DOLCE™

Biocompatible exfoliator hand and feet

Exfoliates | Softens | Deodorizes

BENEFITS

This exfoliator designed for hands and feet regenerates the skin's moisture barrier and has detoxifying, softening and soothing properties. This ultra-performing keratolytic product is enriched with active ingredients for in-depth exfoliation of problems, keratinized and rough areas.

USING ADIVCE

Apply the exfoliator to the area to be exfoliated and massage gently. Leave on for two minutes for maximum exfoliation, then rinse or scrub. For optimal results, use with the Dolce™ product line.

TARGETS

Dry skin • Irritated and cracked skin

INGREDIENTS

BAMBOO FIBER	A natural mechanical exfoliant, biodegradable, bacteriostatic, anti-odor, absorbent, stimulates fibroblast formation (a precursor to collagen production), firming, toning, mineralizing, repairing and hydrophilic agent.
CEDAR EO	Antioxidant and anti-infectious active ingredients that have purifying, sanitizing, healing and soothing properties.
GLYCERIN	Hydrating emollient that leaves skin soft and smooth.
GLYCOLIC ACID	A toning moisturizing agent that exfoliates, adds radiance and improves flexibility.
GRAPE SEED OIL	Regenerating, moisturizing, protective and antioxidant oil. Rich in essential fatty acids (omegas 6 and 9), polyphenols and vitamin E.
LACTIC ACID	Keratolytic agent with exfoliating and hydrating properties.
MINT EO	An anti-inflammatory agent with antimicrobial and analgesic properties that promotes healing.
PINK GRAPEFRUIT EO	Astringent, antiseptic, purifying and toning agent.
PUMICE POWDER (VOLCANIC)	A natural, mineral, organic and ecological exfoliant of volcanic origin.
SALICYLIC ACID	Keratolytic agent with antibacterial properties. The peeling action of salicylic acid allows the elimination of dead skin cells, thus refining the stratum corneum.
SHEA BUTTER	Protective, repairing and emollient agent for dry skin.
SODIUM LACTATE	A keratolytic humectant ingredient acting as a bacteriostatic agent that improves preservation further assisting in the elimination of dead cells from the surface of the skin.
SODIUM PCA	A moisturizing agent that helps maintain water levels and that has electrolytic properties.
WHITE CLAY (KAOLIN)	A silica-rich anti-inflammatory agent with softening, cleansing, purifying, mineralizing and disinfecting properties that heals by absorbing impurities.
VITAMIN E	Antioxidant, repairing and healing agent.

DOLCE™

Biocompatible exfoliator hand and feet

PRO TIP

In case of excessive callus, repeat the operation two consecutive times.

CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

DOLCE™

Hand cream biocompatible

Moisturizes | Treats | Reduces brown spots

BENEFITS

This therapeutic hand cream has precious active ingredients that work synergistically to deeply moisturize, repair and protect the skin due to its biocompatible formulation. This natural moisturizing cream reduces the appearance of brown spots and aging while regenerating the skin.

USING ADVICE

Apply as needed on hands and feet. For optimal results, use with the Dolce™ line.

TARGETS

Dry skin • Irritated skin

INGREDIENTS

ALGAE EXTRACT	Calms the gene that activates tyrosinase and inhibits the gene that stimulates the maturation and migration of melanosomes.
ALLANTOIN	Healing agent that stimulates skin renewal, regulates the inflammatory process and retains water in the skin.
ALOE VERA	Antioxidant, calming and moisturizing agent containing trace elements.
APPLE CIDER VINEGAR	Emollient, antiseptic, healing, softening, moisturizing and calming agent. Rich in vitamins, minerals and trace elements.
ARGAN OIL	Antioxidant, moisturizing, nourishing and regenerating agent for dry skin. Rich in essential fatty acids that act as a modulator of inflammation (omega-9 and omega-6) and vitamin E.
BISABOLOL	Soothing, healing, anti-inflammatory and antibacterial agent. Helps reduce the discomfort of dry skin.
GELATIN	Amino acids essential for collagen.
GLYCERIN	Moisturizing, humectant, solvent, lubricant and smoothing agent. Permanently improves the skin's elasticity.
HYALURONIC ACID	Plumping, anti-wrinkle and moisturizing agent. Attracts and maintains water in the skin.
NEROLI EO	Moisturizing, calming, regenerating agent for dry skin, protective, odoriferous, antioxidant and anti-wrinkle.
PROPOLIS	An antiseptic, antibacterial and anti-inflammatory agent. Rich in vitamins and minerals that help maintain the balance of the microbial flora naturally present on the surface of the skin.
SEA BUCKTHORN OIL	Rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, omegas 3-6-7-9, minerals and polyphenols, anti-inflammatory, emollient, softening, regenerating and nourishing.
SHEA BUTTER	Protective agent with repairing and moisturizing properties for dry skin.

DOLCE™

Hand cream biocompatible

INGREDIENTS (CONTINUATION)

SODIUM LACTATE	Bacteriostatic, humectant and keratolytic agent that helps remove dead cells from the stratum corneum.
SODIUM PCA	Humectant, electrolytic and moisturizing agent that maintains the water content in the skin.
ST. JOHN'S WORT OIL	Soothing, healing and anti-inflammatory agent that repairs dry skin.
VANILLA EXTRACT	Healing, regenerating, moisturizing, refreshing, softening and odoriferous agent.
VITAMIN B5	Healing, skin-repairing, soothing, moisturizing and anti-inflammatory agent.
VITAMIN E	Antioxidant, healing, regenerating and moisturizing agent.

CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

DOLCE™

Repairing balm hand and feet

Repairs | Regenerates

BENEFITS

This creamy formula, rich in active ingredients, penetrates deep into the skin to repair cracked feet and hands, as well as damaged knees and elbows. It soothes, nourishes and protects to restore suppleness and softness to dry skin.

USING ADVICE

As a correction or as needed, apply a small amount of balm for each affected area. Leave on overnight, covering the area with a cotton glove or sock. For optimal results, use with products from the Dolce™ line.

TARGETS

Dry skin • Rough and cracked skin

INGREDIENTS

ALLANTOIN	Healing agent. Stimulates skin renewal, regulates the inflammatory process and retains water in the skin.
ALOE VERA	Antioxidant, calming and moisturizing agent containing trace elements.
APPLE CIDER VINEGAR	Emollient, antiseptic, healing, softening, moisturizing, calming agent. Rich in vitamins, minerals and trace elements.
ARGAN OIL	Antioxidant, moisturizing, nourishing and regenerating agent for dry skin. Rich in essential fatty acids (omega-9 and omega-6) and vitamin E.
BISABOLOL	Antioxidant, soothing, healing, anti-inflammatory and antibacterial agent. Helps reduce the discomfort of dry skin.
CALENDULA OIL	Calming, softening, moisturizing, healing, anti-inflammatory, regenerating and antioxidant agent.
CAROB EXTRACT (OLIGO GALACTOMANNAN)	Regenerates the natural processes of tissue repair. Accelerates the recovery of damaged skin by stimulating the migratory potential of cells and the synthesis of α -SMA.
CASTOR OIL	Anti-inflammatory, antibacterial and healing agent.
CHICORY ROOT (INULIN)	Prebiotic containing glucosamine that stimulates the synthesis of natural hyaluronic acid.
COCONUT LAURIC ACID	Emollient agent that restores the hydrolipidic barrier and softens.
COLLOIDAL SILVER	Natural antibiotic, regenerating, bactericidal, germicidal, oxygenating and healing agent.
GLYCERIN	Moisturizing agent, humectant, solvent and lubricant. Smooths and durably improves the skin's elasticity.
HYALURONIC ACID	Plumping, anti-wrinkle and moisturizing agent. Attracts and maintains water in the skin.
MINT EO	Antibacterial, astringent, purifying, toning, refreshing and soothing agent.

DOLCE™

Repairing balm hand and feet

INGREDIENTS (CONTINUATION)

PROPOLIS	An antiseptic agent, antibacterial and anti-inflammatory. Rich in vitamins and minerals helping to maintain the balance of the microbial flora.
ROSEMARY EO	Bactericidal, fungicidal and revitalizing.
SAFFLOWER OLEOSOMES	Rich in emollient oils and vitamins.
SEA BUCKTHORN OIL	Anti-inflammatory, emollient, softening, regenerating and nourishing agent. Rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, omegas 3-6-7-9, minerals and polyphenols.
SHEA BUTTER	Protective, repairing and moisturizing agent for dry skin.
SODIUM LACTATE	Bacteriostatic, humectant and keratolytic agent that helps eliminate dead cells from the stratum corneum.
SODIUM PCA	Humectant and moisturizing agent with electrolytic properties that maintains the water content in the skin.
ST. JOHN'S WORT OIL	Soothing, healing and anti-inflammatory agent. Repairs dry skin.
VITAMIN B5	Healing, skin repairing, soothing, moisturizing and anti-inflammatory agent.
VITAMIN E	Antioxidant, healing, regenerating and moisturizing agent.

PRO TIP

Apply in a thick layer and cover with a white cotton sock or glove. The balm can be used on chapped lips!

CAUTIONS

This product contains sea buckthorn oil, an agent that could stain your clothes. Keep out of reach of children. Avoid use on irritated skin, if you are allergic to any of the ingredients or if you are pregnant. If a reaction occurs, discontinue use and notify your Davincia® retailer. In case of contact with eyes, rinse with water. For external use only.
