

DOLCE™

Biocompatible exfoliator hands and feet

EXFOLIATES | SOFTENS | DEODORIZES

BENEFITS

This exfoliator designed for hands and feet regenerates the skin's moisture barrier and has detoxifying, softening and soothing properties. This ultra-performing keratolytic product is enriched with active ingredients for in-depth exfoliation of problem, keratinized and rough areas.

TARGETS

Dry skin • Rough skin • Cracked skin

INGREDIENTS

BAMBOO FIBER	Agent that acts as a natural mechanical exfoliant. Biodegradable, bacteriostatic, anti-odour, hydrophilic, firming, toning and remineralizing agent that stimulates fibroblasts.
CEDAR AND LOTUS EO	Sanitizing active ingredient, purifying, antioxidant, anti-infectious, soothing, healing and relaxing.
DAMASK ROSE EO	Revitalizing, regenerating and healing agent.
GLYCERIN	Moisturizing, emollient, softening and smoothing agent for the skin.
GLYCOLIC ACID	Exfoliating, toning and moisturizing agent. Brightens the complexion and improves skin elasticity.
GRAPE SEED OIL	Regenerating, moisturizing, protective and antioxidant oil. Rich in essential fatty acids (omega 6 and 9), polyphenols and vitamin E.
LACTIC ACID	Keratolytic, emollient and moisturizing agent.
MINT EO	Antibacterial, astringent, purifying, refreshing and soothing agent.
PUMICE POWDER	Organic and ecological agent. Natural mineral exfoliant.
SALICYLIC ACID	Keratolytic and antibacterial agent that refines the stratum corneum.
SODIUM LACTATE	Bacteriostatic, humectant and keratolytic agent.
SODIUM PCA	Humectant agent with electrolytic properties. Maintains the water content in the skin.
WHITE CLAY	Softening, cleansing, deodorizing, disinfecting and anti-inflammatory agent. Absorbs impurities. Rich in silica.

DOLCE™

Biocompatible exfoliator hands and feet

USING ADVICE

Apply the exfoliator to the area to be exfoliated and massage gently. Leave on for 2 minutes for maximum exfoliation, then rinse or scrub. For optimal results, use in conjunction with the Dolce™ product line.

PRO TIP

In case of excessive callus, repeat the operation 2 consecutive times.

CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

DOLCE™

Biocompatible hand cream

MOISTURIZES | TREATS | REDUCES BROWN SPOTS

BENEFITS

This therapeutic hand cream has precious active ingredients that work synergistically to deeply moisturize, repair and protect the skin due to its biocompatible formulation. This natural moisturizing cream reduces the appearance of brown spots and aging while regenerating the skin.

TARGETS

Dry skin • Irritated skin

INGREDIENTS

ALGAE EXTRACT	Calms the gene that activates tyrosinase and inhibits the gene that stimulates the maturation and migration of melanosomes.
ALLANTOIN	Healing agent that stimulates skin renewal, regulates the inflammatory process and retains water in the skin.
ALOE VERA	Antioxidant, calming and moisturizing agent containing trace elements.
APPLE CIDER VINEGAR	Emollient, antiseptic, healing, softening, moisturizing and calming agent. Rich in vitamins, minerals and trace elements.
ARGAN OIL	Antioxidant, moisturizing, nourishing and regenerating agent for dry skin. Rich in essential fatty acids that act as a modulator of inflammation (omega-9 and omega-6) and vitamin E.
BISABOLOL	Soothing, healing, anti-inflammatory and antibacterial agent. Helps reduce the discomfort of dry skin.
GLYCERIN	Moisturizing, humectant, solvent, lubricant and smoothing agent. Permanently improves the skin's elasticity.
HYALURONIC ACID	Plumping, anti-wrinkle and moisturizing agent. Attracts and maintains water in the skin.
MALLOW	Softening, anti-inflammatory and healing agent for dry and sensitive skin.
MULLEIN	Anti-infectious, healing, moisturizing, repairing and soothing agent for dry skin. Rich in vitamin B.
NEROLI EO	Moisturizing, calming, protective, odoriferous, antioxidant, anti-wrinkle and regenerating agent for dry skin.
PROPOLIS	An antiseptic, antibacterial and anti-inflammatory agent. Rich in vitamins and minerals that help maintain the balance of the microbial flora naturally present on the surface of the skin.
SEA BUCKTHORN OIL	Rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, omegas 3-6-7-9, minerals and polyphenols, anti-inflammatory, emollient, softening, regenerating and nourishing.

DOLCE™

Biocompatible hand cream

INGREDIENTS (CONTINUATION)

SHEA BUTTER	Protective agent with repairing and moisturizing properties for dry skin.
SODIUM LACTATE	Bacteriostatic, humectant and keratolytic agent that helps remove dead cells from the stratum corneum.
SODIUM PCA	Humectant, electrolytic and moisturizing agent that maintains the water content in the skin.
ST. JOHN'S WORT OIL	Soothing, healing and anti-inflammatory agent that repairs dry skin.
VANILLA EXTRACT	Healing, regenerating, moisturizing, refreshing, softening and odoriferous agent.

USING ADIVCE

Apply to hands and feet as needed. For optimal results, it is strongly recommended to use this cream in conjunction with the Dolce™ product line.

CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

DOLCE™

Repairing balm hands and feet

REPAIRS | REGENERATES

BENEFITS

This creamy formula, rich in active ingredients, penetrates deep into the skin to repair cracked feet and hands, as well as damaged knees and elbows. It soothes, nourishes and protects to restore suppleness and softness to dry skin.

TARGETS ————— Dry skin • Rough and cracked skin

INGREDIENTS

ALLANTOIN	Healing agent. Stimulates skin renewal, regulates the inflammatory process and retains water in the skin.
ALOE VERA	Antioxidant, calming and moisturizing agent containing trace elements.
APPLE CIDER VINEGAR	Emollient, antiseptic, healing, softening, moisturizing, calming agent. Rich in vitamins, minerals and trace elements.
ARGAN OIL	Antioxidant, moisturizing, nourishing and regenerating agent for dry skin. Rich in essential fatty acids (omega-9 and omega-6) and vitamin E.
BISABOLOL	Antioxidant, soothing, healing, anti-inflammatory and antibacterial agent. Helps reduce the discomfort of dry skin.
CALENDULA OIL	Calming, softening, moisturizing, healing, anti-inflammatory, regenerating and antioxidant agent.
CAROB EXTRACT	Regenerates the natural processes of tissue repair. Accelerates the recovery of damaged skin by stimulating the migratory potential of cells and the synthesis of α -SMA.
CASTOR OIL	Anti-inflammatory, antibacterial and healing agent.
CHAMOMILE WATER	Soothing and regenerating agent for the epidermis. Alleviates redness of irritated skin.
CHICORY ROOT	Prebiotic containing glucosamine that stimulates the synthesis of natural hyaluronic acid.
COCONUT LAURIC ACID	Emollient agent that restores the hydrolipidic barrier and softens.
COLLOIDAL SILVER	Natural antibiotic, healing, regenerating, bactericidal, germicidal and oxygenating agent.
DAMASK ROSE EO	Revitalizing, regenerating, stimulating, firming and anti-wrinkle properties.
FIREWEED (FLOWER)	Irritation-reducing agent and powerful antioxidant.
GLYCERIN	Moisturizing, humectant, solvent and lubricant properties. Smooths and durably improves the skin's elasticity.

DOLCE™

Repairing balm hands and feet

INGREDIENTS (CONTINUATION)

HYALURONIC ACID	Plumping and anti-wrinkle agent. Attracts and maintains water in the skin.
MALLOW	Softening, anti-inflammatory and healing agent for dry and sensitive skin.
MINT EO	Antibacterial, astringent, purifying, toning, refreshing and soothing agent.
MUGWORT	Anti-infectious, healing, moisturizing, repairing and soothing agent for dry skin. Rich in vitamin B.
PROPOLIS	An antiseptic agent, antibacterial and anti-inflammatory. Rich in vitamins and minerals helping to maintain the balance of the microbial flora.
ROSEMARY EO	Bactericidal, fungicidal and revitalizing.
SAFFLOWER OLEOSOMES	Rich in emollient oils and vitamins.
SEA BUCKTHORN OIL	Anti-inflammatory, emollient, softening, regenerating and nourishing agent. Rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, omegas 3-6-7-9, minerals and polyphenols.
SHEA BUTTER	Protective, repairing and moisturizing agent for dry skin.
SODIUM LACTATE	Bacteriostatic, humectant and keratolytic agent that helps eliminate dead cells from the stratum corneum.

ST. JOHN'S WORT OIL	Soothing, healing and anti-inflammatory agent. Repairs dry skin.
VITAMIN B5	Healing, skin repairing, soothing, moisturizing and anti-inflammatory agent.

USING ADIVCE

As a correction or as needed, apply a small amount of balm for each affected area. Leave on overnight, covering the area with a cotton glove or sock. For optimal results, use in conjunction with products from the Dolce™ product line.

PRO TIP

Apply in a thick layer and cover with a white cotton sock or glove. The balm can be used on chapped lips!

CAUTIONS

This product contains sea buckthorn oil, an agent that could stain your clothes. Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes, rinse with water. For external use only.
