

# SUNBRELLA™

Mineral sunscreen cream SPF30 - face

Protects | Repairs

## BENEFITS

This 100% natural sunscreen is water-resistant, non-comedogenic and helps prevent the signs of premature aging. This cream acts against radiation of all kinds, sun rays and environmental pollutants. Its formulation rich in antioxidants and repairing ingredients helps the skin to regenerate itself healthily.

Available in two shades (light and medium)

## USING ADVICE

Before sun exposure, apply evenly on the face and neck. Reapply every 2 hours during sun exposure. Use in conjunction with the Davincia® product line.

## TARGETS

All skin types • Hands • Cleavage

## INGREDIENTS

ALLANTOIN	Soothing, healing, calming and hydrating agent.
ALOE VERA	Essential soothing, moisturizing, purifying and astringent gel that promotes healing and regeneration of all skin types.
ARGAN OIL	Restructuring antioxidant rich in vitamin E, antioxidants, omega-6 and omega-9 essential fatty acids with moisturizing, nourishing and regenerative properties.
BEE SWAX	Moisturizes and protects the skin from long-term aggressions.
CARROT SEED EO	Regenerating, anti-wrinkle and anti-inflammatory.
CASTOR OIL	Deeply penetrates the epidermis and stimulates the production of collagen and elastin to soften and moisturize the skin. Containing anti-inflammatory and antibacterial properties, it reinforces the epidermis and supports the healing process.
CERAMIDES	Responsible for lipidic signaling, acts as a protective film preventing water loss. Promotes adhesion of solar minerals by helping them maintain a uniform film.
COLLOIDAL SILVER	Bactericidal, germicidal, antiviral and antiseptic; this ingredient contains oxygenating and immunostimulating properties.
GERANIUM EO	An anti-inflammatory tonic and astringent for the skin.
GLYCERIN	Hydrating emollient that leaves skin soft and smooth.
GLYCOSAMINOGLYCANS	A main component of the extracellular matrix comprising connective tissues, it promotes water retention and the formation of a defensive barrier shield that protects the skin by blocking specific enzymatic reactions proven to damage skin collagen.
GREEN TEA EXTRACT	A powerful antioxidant.
HEMP OIL (OMEGA 3)	An inflammatory modulator with regenerating properties that increase the skin's resistance to UV rays and reduce visible signs of aging.
IRON OXYDE	Light-resistant minerals and coloring agents.

Mineral sunscreen cream SPF30 - face

## INGREDIENTS (CONTINUATION)

KAOLIN	Anti-inflammatory, antiseptic and softening agent when combined with essential oils.
LAVENDER EO	A powerful healing and regenerating oil with anti-inflammatory, anti-microbial and antiseptic properties.
MICAS	Agents that act as a physical screen, correcting imperfections and provides a natural tinted pearlescent effect.
MINERAL LIGHT BLEND	Illuminates the complexion and conceals imperfections.
NIACINAMIDES (VITAMIN B3)	Agent supporting the cellular respiration process that affects multiple biochemical reactions. Increases "epidermal rotation", stimulates collagen production and tones skin.
NIAOULI EO	Protects and regenerates skin cells, while increasing the skin's resistance to UV rays.
PEPPERMINT EO	An antimicrobial compound that acts as a filter for blocking harmful rays.
RED CLAY	Revitalizing oil which increases the skin's resistance to the solar rays.
ROSEHIP OIL	An anti-inflammatory agent acting as a physical screen with healing properties and is comprised of minerals with natural dyes for illuminating the skin's complexion.
SEA BUCKTHORN OIL	An omega 3-rich antioxidant with healing and restructuring properties, which increases the skin's resistance to UV rays, rich in omega 3.
TITANIUM DIOXYDE (NON-NANOPARTICLE)	A natural emollient and antioxidant with anti-inflammatory, healing, regenerating and nurturing properties and that contains SPF(4) protection, rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, Omegas 3-6-7-9, minerals and polyphenols.
VITAMIN D	Anti-inflammatory calcium regulating agent (for keeping the right amount of calcium in the blood), phosphorus and minerals in the body, helping muscle function, flexibility of blood vessels and cell growth.
VITAMIN E	Antioxidant with healing, regenerative and moisturizing properties.
YLANG YLANG EO	Oil containing skin regenerating and toning properties.
ZINC OXYDE (NON-NANOPARTICLE)	An antioxidant with anti-inflammatory and antiseptic properties that promotes scarring and acts as a physical filter for blocking out harmful sun rays.

## PRO TIP

Use also on hands and neckline area, as well as any areas showing signs of aging. Protects the skin during extreme cold or dryness.

## CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

# SUNBRELLA™

Mineral sun powder SPF30 - face

Protects | Bronzes | Illuminates

## BENEFITS

This 100% natural protective sun powder helps prevent the signs of aging by forming a natural mineral physical layer on the surface of the skin and helps protect from sunburn. It helps conceal imperfections, while providing a tanned, luminous and radiant complexion. This lightly tinted covering powder is the natural alternative to electronic selfie filters. Contains no chemical preservative, silicone or talc.

## USING ADVICE

To dispense powder, release brush from socket then press brush onto skin. Apply Sunbrella™ in thick layers to the face, neck and other areas exposed to sunlight. Repeat application during periods of prolonged exposure to the sun or when friction occurs on the area of application. For optimal results use with the Davincia® product line.

## TARGETS

All skin types

## INGREDIENTS

BURITI OIL	A natural sunscreen rich in beta-carotene and vitamin A.
CLAY	An anti-inflammatory agent acting as a physical screen with calming and healing properties and that is comprised of minerals with natural dyes for illuminating the skin's complexion.
COCONUT OIL	A natural sunscreen rich in vitamin E with antiseptic, regenerative and moisturizing properties.
IRON OXYDE	Lightfast minerals and coloring agents.
MICAS	Mother-of-pearl agent with natural coloring that acts as a physical screen and imperfection corrector.
MINERAL-LIGHT MIXTURE	A complexion enhancing agent that assist in filling wrinkles and concealing imperfections.
TITANIUM DIOXYDE (NON-NANOPARTICLE)	An antimicrobial compound that acts as a filter for blocking harmful rays.
VITAMIN E	An antioxidant with healing, regenerative and moisturizing properties.
ZINC OXYDE	An antioxidant with anti-inflammatory and antiseptic properties that promotes scarring and acts as a physical filter for blocking out harmful sun rays due to prolonged sun exposure.

Mineral sun powder SPF30 - face

## CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

# SUNBRELLA™

Mineral sunscreen cream SPF30 - body

Protects | Moisturizes | Water and sweat resistant

## BENEFITS

This 100% natural sunscreen is water and sweat resistant, non-comedogenic and helps maintain optimal skin hydration. This protective shield protects your skin against radiation, harmful ultraviolet rays and environmental pollutants. It's formulation is rich in antioxidants and repairing ingredients that assists damaged skin to regenerate healthily. No chemical or silicone filters and safe for the coral reef.

## USING ADVICE

Before sun exposure, apply evenly to the body. Reapply every 2 hours during sun exposure. Reapply if you rub the skin. Use with the Davincia® product line.

## TARGETS

All skin types

## INGREDIENTS

ALLANTOIN	Soothing, healing, calming and hydrating agent.
ALOE VERA	Essential soothing, moisturizing, purifying and astringent gel that promotes healing and regeneration of all skin types.
GLYCERIN	Moisturizing, humectant, solvent and lubricant agent. Smoothes and durably improves skin elasticity.
MICAS	Mother-of-pearl agent with natural coloring that acts as a physical screen and imperfection corrector.
NIACINAMIDE (VITAMIN B3)	Agent supporting the cellular respiration process, which affects multiple biochemical reactions. Agent boosting "epidermal turnover", stimulating collagen production and toning the skin.
ROSEHIP OIL	An omega 3-rich antioxidant with healing and restructuring properties, which increases the skin's resistance to UV rays, rich in omega 3.
SAFFLOWER OLEOSOMES	Rich in emollient oils and vitamins.
SEA BUCKTHORN OIL	A natural emollient and antioxidant with anti-inflammatory, softening, healing, regenerating, and nurturing properties and that contains SPF (4) protection, rich in antioxidants, carotenoids, phytosterols, vitamins A, C and E, Omegas 3-6-7-9, minerals and polyphenols.
SHEA BUTTER	Protects, repairs and moisturizes dry skin.
TITANIUM DIOXYDE (NON-NANOPARTICLE)	An antimicrobial compound that acts as a filter for blocking harmful rays.
VITAMIN D	Anti-inflammatory calcium regulating agent (for keeping the right amount of calcium in the blood), phosphorus and minerals in the body, helping muscle function, flexibility of blood vessels and cell growth.
VITAMIN E	Antioxidant with healing, regenerative and moisturizing properties.
ZINC OXYDE (NON-NANOPARTICLE)	An antioxidant with anti-inflammatory and antiseptic properties that promotes scarring and acts as a physical filter for blocking out harmful sun rays.

## CAUTIONS

Keep out of reach of children. Avoid using on irritated skin, in case of an allergy to one of the ingredients or if you are pregnant. If a reaction occurs, stop using the product and inform your Davincia® retailer. In case of contact with eyes rinse with water. External use only.

# SUNBRELLA™

Lip balm with collagen and prebiotics SPF15

Protects | Moisturizes | Repairs | Plumps

## BENEFITS

This 100% natural mineral sunscreen enriched with collagen helps prevent the signs of aging. This lip balm helps protect skin against the sun's rays, environmental pollutants and the cold. Its formulation, rich in active ingredients, helps nourish, moisturize and regenerate lips.

## USING ADVICE

Apply to lips as needed or 15 minutes before sun exposure.

## TARGETS

All skin types • Sensitive skin

## INGREDIENTS

BEESWAX	Emollient agent that protects skin from long-term aggression.
BISABOLOL	Antioxidant, soothing, healing, anti-inflammatory and antibacterial agent. Helps reduce the discomfort of dry skin.
CALENDULA OIL	Calming, softening, emollient, healing, anti-inflammatory, regenerating and antioxidant agent.
CAROB EXTRACT	Regenerates natural tissue repair processes. Accelerates damaged skin recovery by stimulating cell migratory potential and $\alpha$ -SMA synthesis.
CERAMIDES	Responsible for lipid signalling, they act as a protective film to prevent water loss. Promotes the adhesion of solar minerals, helping them to maintain a uniform film.
CHICORY ROOT (INULIN)	Prebiotic containing glucosamine that stimulates the synthesis of natural hyaluronic acid.
COPPER COMPLEX	Triggers collagen and elastin production. Reduces deep wrinkles and improves skin firmness.
GLYCOSAMINOGLYCANS	Agents promoting water retention and skin resistance to external attacks.
HYALURONIC ACID	Moisturizing agent that attracts and retains water in the skin.
LAVENDER EO	Powerful healing and regenerating agent with antimicrobial and antiseptic properties.
MANGO BUTTER	Very rich in sterols and polyphenols, giving it highly interesting antioxidant properties. Protects and soothes the skin, softening and smoothing it.
MARINE NATIVE COLLAGEN	Agent that helps form a protective shield to prevent aging. A structuring agent identical to human skin collagen, used mimetically to produce true collagen.
OPHIPOGON JAPONICUS (OLIGOSACCHARIDES)	Rebalances the microbiota, helps restore the skin barrier and reduces inflammation.
PROPOLIS	A vitamin and mineral-rich agent that helps maintain the balance of microbial flora.
RASPBERRY SEED OIL	Prepares skin for exposure to the sun. It absorbs a portion of UVA and UVB rays, providing sun protection.
