

VIRTUE™

Repairing balm eczema care

Healing | Regenerating

BENEFITS

This balm provides natural relief from eczema symptoms. Made with colloidal oatmeal, it protects the skin and soothes itching and minor skin irritations associated with rashes, eczema and reactions to ragweed. In addition to reducing dryness-related redness and itching, this balm helps regenerate and protect the skin's flora and moisture barrier, hydrating it and making it more resilient.

USING ADVICE

Apply to affected area as needed. For optimal results, apply a thick layer to skin and leave on overnight and use in conjunction with the Davincia® product line.

*This product contains Sea Buckthorn Oil which may stain fabrics.

TARGETS

Dry skin • Irritated skin • Eczema • Psoriasis • Cracked skin

CAUTIONS

For external use only. When using this product avoid contact with eyes. If contact occurs, rinse thoroughly with water. Stop use and consult a health care professional if symptoms worsen or last for more than 7 days. Keep out of reach of children. If swallowed, call a poison control centre or get medical help right away.

*For a complete listing of ingredients, precautions and warnings, refer to the package inserts included with this product.

VIRTUE™

Musculo-articular balm

Hyperhemic | Relaxing | Antispasmodic | Draining | Anti-inflammatory | Decongesting

BENEFITS

Relieves muscular and articular pain to allow a better recovery after an injury, an effort or training. It contributes to cleansing the joint fluids charged with toxins for better hydration. It acts deep down to regenerate nerves, tendons, muscles and ligaments.

USING ADVICE

Apply to the affected area, massaging in and ensuring at least an extra 10% coverage on each side. For optimal benefits, apply product daily. Ideally use preventively to preserve the vitality of targeted areas.

*The active ingredients in the balm intentionally create warmth and reddening of the skin on the applied area.

TARGETS

Muscles • Joints • Torticollis • Tendinitis • Muscular neuralgia • Arthrosis • Arthritis • Cramps

INGREDIENTS

ARNICA OIL	Agent which provides beneficial heat, relieves muscular tension and alleviates articular pain.
BLACK PEPPER EO	Anti-inflammatory, pepper essential oil facilitates muscle preparation for effort by its tonic circulatory action. Relieves muscular pains, warms muscles and calms rheumatism. Constrains the lymphatic stasis.
CASTOR OIL	Anti-inflammatory, antibacterial, healing, softening and moisturizing agent. Strengthens the epidermis.
CAYENNE PEPPER EO	Agent which calms muscular tension, muscular and articular pain.
CINNAMON BARK EO	Essential oil with anti-inflammatory, tonic and stimulating properties. Creates a hyperhemia by increasing the blood flow on the area where it is applied. Ideal for preparing the muscles for effort or to recover after sports.
CLOVE EO	Contains antispasmodic agents and acts as a muscle relaxant. It intervenes in the nervous processes that are the root cause of smooth muscle spasms. Contains analgesic and antineuralgic active ingredients. Useful for muscular pain and neuralgia.
DEVIL'S CLAW EXTRACT	Relaxes muscles and tendons. This cream is known for its soothing and anti-swelling properties. It is even better tolerated by the body than over-the-counter anti-inflammatories.
JUNIPER EO	Agent with analgesic and antiseptic properties.
LEMON EUCALYPTUS EO	Anti-inflammatory, painkiller, analgesic and antispasmodic.
MAGNESIUM	Agent with muscle relaxing properties.
MENTHOL	Analgesic, painkiller and anti-inflammatory. Helps relieve musculo-articular pain.
MSM (SULPHUR)	A sulphur compound that helps eliminate toxins from the body and relieve arthrosic pain.
MUSTARD POWDER	Mustard powder: Toning with a warming effect. Stimulates blood circulation to relieve aching muscles.

VIRTUE™

Musculo-articular balm

INGREDIENTS (CONTINUATION)

NETTLE EXTRACT	Relieves muscle and joint pain.
PEPPERMINT EO	Refreshing agent, painkiller, antineuralgic, anesthetic and anti-inflammatory.
ST. JOHN WORT MACERATE	Analgesic and anti-inflammatory agent. It is ideal for aching and swollen joints and nerves. This oil is indicated to calm and repair the nerves.
TROPICAL BASIL (OCIMUM BASILICUM)	Anti-inflammatory, painkiller, antispasmodic. Useful for muscular pain.
TURPENTINE ESSENCE	Liquefying agent for synovial fluid.
WINTERGREEN EO	Anti-inflammatory, painkiller, antispasmodic, antirheumatic and heats locally. Useful for arthritis, osteoarthritis, tendonitis, muscle cramps and rheumatism.

PRO TIP

For best results, exfoliate the body weekly with Silweta™ exfoliant and apply to clean, product-free skin. Can be used as a plastic-wrapped poultice in periods of crisis, or to relieve congestion in the lungs as needed.

CAUTIONS

Discontinue use if skin redness persists for more than 24 hours. Not suitable for structural problems. It is recommended to consult a specialized practitioner in conjunction with the use of this product. Keep out of reach of children. For external use only. In case of contact with eyes, rinse thoroughly with clear water. Avoid use on irritated or injured skin or on mucous membranes. Avoid use if you are pregnant or allergic to any of the ingredients. Wash hands after application.
